

## Fragolino Rosso &#8211; Aromatized wine-based drink

|                     |                                                                       |
|---------------------|-----------------------------------------------------------------------|
| CONTENT             | 0,75L                                                                 |
| COLOR               | Intense red with purple reflections                                   |
| TYPE                | Sweet semi-sparkling wine                                             |
| ALCOHOL CONTENT     | 7,5%                                                                  |
| RESIDUAL SUGAR      | 100-120 G/L                                                           |
| FRAGRANCE           | Intense and pronounced strawberry aroma.                              |
| FLAVOR              | Fresh, intense and persistent.                                        |
| PAIRINGS            | Great to be served with rustic desserts, jam tarts, and fruit salads. |
| SERVICE TEMPERATURE | 8-10°C                                                                |
| PALLETIZATION       | 105 cases/plt (21x5)                                                  |
| EAN BOTTLE          | 8008820 16015 9                                                       |
| EAN BOX             | 2 8008820 16015 3                                                     |
