SERVING
TEMPERATURE

6 - 8 °C

CURIOSITY

The name Pinot comes from the typical shape of the cluster of this grape, compact and tight to remember a pine cone. Pinot Noir is the red grape most used for the production of sparkling wines, most of which are produced by classic method and vinified in white, which is, separating the skins from the must immediately after pressing them. Thanks to Pinot Nero some of this sparkling wines have a very fascinating rosé color

PACKING DETAILS	
BOTT/CASE	6
CASE GROSS WEIGHT	17,2 KG
PALLET TYPE	EPAL 80x120
CASES/PALLET	40
BOTT/PALLET	240
PALLET GROSS WEIGHT	709 KG
