CURIOSITY

The name *Malvasia* seems to derive from a Greek city of the Peloponnese (*Monembasia*, *Monemvasia* or *Monovasia*, meaning "one-way port") a town which, by consonance with the Greek name, was renamed by the Venetians "Malvasia". Venice itself marketed a very high quality wine from Malta. Was it the same product that in the late Middle Ages became one of the most famous and renowned wines produced mainly in Crete and Rhodes? Whatever is its origin, the Venetians used *Malvasia* as appellation to indicate the sweet and alcoholic wines from the eastern Mediterranean.
