FLAVOUR

Savory and with a slightly bitter aftertaste

FOOD PAIRINGS

Ideal as aperitif and with white meat and eggs

SERVING
TEMPERATURE

10 - 12 °C

CURIOSITY

Ortrugo is a vine that was grown already before the year 0.
It is supposed that the name, somewhat bizarre, is derived from the fact that it was considered less valuable than the majority and noble Malvasia grape, to which it was often flanked, so it was defined as a dialect of Piacenza "ortr ug" which meant "the other grape"

PACKING DETAILS	
BOTT/CASE	6
CASE GROSS WEIGHT	7,4 KG
PALLET TYPE	EUR-EPAL 80x120
CASES/PALLET	125
BOTT/PALLET	750
