4 - 6 °C

CURIOSITY

Ribolla Gialla is the most famous varietal white wine produced with a native  
Friulian grape variety.

It is a very ancient vine: it appears in a notarial deed of 1299 and in other  
documents it is written that Ribolla was offered by the Municipality of Udine to  
political and military personalities who arrived in the city.

CONTAINS SULPHITES
