Excellent aperitif, ideal with light hors d'oeuvre and freshwater fish courses

SERVING
TEMPERATURE

6 - 8 °C

CURIOSITY

The city Prosecco is located in the province of Trieste (in the North East of Italy) and here it's where, already at the time of the Romans, it was produced a wine with Glera grapes.

Today Prosecco is the first Italian wine by export volumes. In some markets, it even exceeds the consumption of Champagne!

PACKING DETAILS
